Technical drawing of a mechanical part, likely a bracket or support, showing dimensions and tolerances. The part features a base plate with a central cutout and a sloped top surface. Key dimensions include a base width of 4.65, a central cutout width of 0.250, and a sloped surface with a 65-degree angle. Tolerances are specified for several dimensions, such as ± 0.010 for the central cutout width and ± 0.000 for the base width. The drawing also indicates a 0.06 X 45° CMF (Chamfer) and a R0.031 fillet.
